

Chairman Platform

Re-organization

Bringing changes to membership process to AAA by diversification of requirements.

Inclusiveness

Encouraging members to both join and contribute to Open AAA Board meetings.

Transparency

Enabling monthly reports of AAA activities, events, projects and financial statuses publicly available to all AAA members.

Financial sustainability

Increasing number of alumni-oriented commercial and business projects sponsored by businesses in order to diversify financial support to AAA members' projects.

AAA activities

Diversification of Alumni-oriented projects, changing "AAA for Alumni" mindset to "AAA with and about Alumni" including Media, Organizational & Financial support.

AAA Corporate branding

Setting long-term partnership with Creative Agency for developing AAA corporate branding and assets, advancing them to more visible, known and recognizable level.

Partnership

Establishing long-term partnership relationships with local and International Alumni associations, professional development oriented centers, institutes and communities.

Employment

Creating resume database of young AAA members based on Business Partners CV form requests in order to increase employment rate of members and building Internship opportunities for young members.

AAA Self-funding

Establishing culture of Alumni financial support for diversification of funding for Alumni initiated projects by providing transparent reports on and to contributors.

Short Biography – FYI:

I am Aliyar – Huseynov alumnus of SUSI 2012 program, I have been an AAA member for 4 years. I would like to share with you a short bio of myself with your permission.

I have lived for the biggest portion of my life in Shuvelan & discovered Baku for myself only in 2009 when suddenly I became a student of Azerbaijan State Oil Academy. I have gained my first project management experience working on “Social Responsibility & You - II” (*Unibank, Delta group, Mobitel, Romantic*) in 2011. The first time I came to the US-Educated Azerbaijani Alumni Association office after coming back from the United States and SUSI program (Study of the United States Institute for Leader Students from Azerbaijan) in 2012. The same year, I have founded our own group with other passionate US-Educated Alumni and we successfully conducted projects as:

- “Reuse, Reduce, Recycle” (*Azersun, IREX Azerbaijan*)
- “Expression, Motivation, Inspiration” (*AsanXidmet, ADA University, US Embassy*)
- “Cup of Peace” (*American Peace Corps, Youth Foundation, US Embassy, Nar Mobile, BRC*)

As of 2014 I got involved directly in Azerbaijan Business Case Competition & collaborated with ABCC trainers closely during that time.

Why can I be a good Board Member? – Because:

- I have quite good experience both in social & commercial projects management
- I have broad & strong networking with alumni, corporate & “right” people
- I am straight-forward in decision making & goal-oriented person
- I am in corporate world (*P&G*) & know how to talk to business partners building win-win strategy
- I have strong fundraising skills
- I can establish strong relations with international organizations, such as Erasmus Plus, ENAM etc.

What will happen if I got elected as a Chairman? – I will:

- Organize international conferences and events where our alumni can take active part
- Internship opportunities for younger alumni
- Small grants program and start up support funds to support alumni ideas
- Renew Alumni database via modification it in splits of Alumni, Partners, Volunteers & Contributors information
- Strengthen partnership with Business world in order to have strong & sustainable financials
- Renew partnership agreements with Business partners defining clear KPIs & modified report system
- Establish advanced report system for AAA office staff in weekly basis & for AAA Board in monthly basis
- Develop the US-Educated Azerbaijani Alumni Association corporate style and website making it trendy
- Establish long-term partnership with Creative, Media & PR Agencies for having bigger exposure from the projects
- Coach & Share learnings with AAA office staff & volunteers quarterly building a training calendar for them
- Establish Alumni CV database for Business Partners in order to increase employment rate of alumni
